SECTION: PUPILS

TITLE: STUDENT FUND RAISING

ADOPTED: February 16, 2012

REVISED:

220. STUDENT FUND RAISING

The Board acknowledges that the solicitation of funds from students must be limited since compulsory attendance laws make the student a captive donor and since such solicitation may disrupt the program of the schools.

For purposes of this policy, "student fund raising" shall include the solicitation and collection of money by students for any purpose and shall include the collection of money in exchange for tickets, papers, advertising or any other goods or services.

The Board prohibits the collection of money in school or on school property, or at any school sponsored event by a student for personal benefit.

Collection of money by approved school organizations may be permitted only after being reviewed by Staff.

Collections by students on behalf of school sponsored organizations outside the schools may be permitted only upon the recommendation of the Staff or designee.

The Staff shall establish rules and regulations which shall specify times and places in which funds may be collected and describe permitted methods of solicitation which do not place undue pressure on students or patrons.

The CEO shall distribute this policy and the rules which implement it to each student organization granted permission to solicit funds.
