TITLE: PUBLIC PERFORMANCES BY
STUDENTS

ADOPTED: February 16, 2012

REVISED:

221. PUBLIC PERFORMANCES BY STUDENTS

The Board recognizes the value to students of sharing their talents and skills with the community through student participation and performances in public events outside of regular CLC school hours.

The Board endorses such performances when:

they constitute a learning experience which contributes to the educational program;
they do not interfere with other scheduled activities of the school; and

the circumstances of the event do not pose a threat to the health, safety and well being of
the students who will be involved.

All requests for public performances by student groups require the approval of the Staff.

The Staff shall develop procedures to implement this policy which require that:

parental permission is sought and received before students may participate;

no student is compelled to participate in a public performance or penalized in any way
for failure to do so, except as specified in an approved course of study.

no student, group of students or employees of this Board may receive compensation
for the performance in public of students organized as a school representative; and

the interests of students are protected and guarded against exploitation.
