

Centre Learning Community Charter School

SECTION: PUPILS

TITLE: DISTRIBUTION

ADOPTED: February 16, 2012

REVISED:

225. STUDENT SURVEYS

Surveys conducted by outside agencies, organizations and individuals shall be approved by the Staff prior to administration to students.

Surveys/Evaluations

All surveys and instruments used to collect information from students shall relate to the Centre Learning Community Charter School's educational objectives.

Parents shall have the right to inspect, upon request, a survey created by a third party prior to administration or distribution to a student. Such request shall be in writing and submitted to the building principal.

No student shall be required, without written parental consent for students under eighteen (18) years of age or written consent of emancipated students or those over eighteen (18) years, to submit to a survey, analysis, or evaluation that reveals information concerning:

1. Political affiliations or beliefs of students and parents.
2. Mental and psychological problems of the student or his/her family.
3. Sexual behavior and attitudes.
4. Illegal, antisocial, self-incriminating and demeaning behavior.
5. Critical appraisals of other individuals with whom respondents have close family relationships.
6. Legally recognized privileged and comparable relationships, such as those with lawyers, physicians, and ministers.
7. Religious practices, affiliations, or beliefs of the student or parents.

225. STUDENT RIGHTS/RESPONSIBILITIES/SURVEYS - Pg. 2

8. Income, other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program.

However, such survey, analysis or evaluation may be conducted on a wholly voluntary basis, provided that the student and his/her parent have been notified of their rights and of their right to inspect all related materials and to opt the student out of participation.

The Centre Learning Community Charter School shall implement the procedures to protect student identity and privacy when a survey contains any of the restricted subject areas listed above.

Collection of Information for Marketing

Parents have the right to inspect the material and opt out the student from participating in any activity that results in the collection, disclosure or use of personal information for purposes of marketing or selling that information. This does not apply to the collection, disclosure or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for or to students.

Personal information means individually identifiable information including a student's or parent's name, address, telephone number, or social security number.
