Call to Order 6:30PM

Present: Melanie Loring, Tonya Daher, Lori McTavish, Leslie Aderhold, Morgan Ilgen,  
Mark Toci, Pat Hunt

Absent: Linda Bergeman, Heidi Fletcher

Attendees: Kosta Dussias, Becky Corman

The February, 2007 minutes were presented for review. Melanie Loring moved to accept the minutes as amended and Mark Toci seconded the motion. The minutes were accepted unanimously.

### **Business Manager Report**

Enrollment is currently 95 students.

Kosta reported that there were no significant changes to report and that we are still in good shape. He did note, with regard to the budget, that funds placed under Capital Improvements may need a boost from the surplus pool of funds. This movement would be to accommodate the improvements that will be made to the Big Room.

### **ECO Report**

Pat reported that the Special Education Audit went well and that we were commended on our staff's efforts and on our Special Ed program. Feedback was given in the area of acquiring necessary paperwork from the various school districts on a more timely fashion. Suggestions were also made on how to improve the way in which we write our IEP goals.

Math and Reading PSSA's were given this week. Within the next two months there will be a pilot PSSA featuring Science for 7th grade only. Staff will also administer the Terra Nova standardized test later this year.

Prospective students for next year continue to make appointments to visit the school. Administration will be sending home a form in the Friday folders to assess the number of returning students for next year. It seems as if our best means of advertisement is word of mouth from the families of CLC students.

This spring we will graduate approximately twenty 8th graders. This is the general number of openings for students we will have for the next year

### **New Business**

Kosta wanted to make the Board aware that rather than receiving funding from each school district, there may be a shift to receiving the funding directly from the state.

### **April Agenda Items**

The board would like to revisit the policies discussed during the February meeting.

There was no other business to be presented. Lori McTavish motioned to adjourn the meeting and Tanya Daher seconded the motion. The meeting was adjourned at 7:11pm.
